

Important Information and Disclaimer

This document has been prepared by **Diagram Capital Limited** (Company Number 10437925), which is authorised and regulated by the Financial Conduct Authority ("FCA") under Firm Reference Number 766786.

Professional Clients Only

This document is directed exclusively at persons who qualify as **Professional Clients** or **Eligible Counterparties** under the FCA Rules. It is not intended for Retail Clients and should not be relied upon by any person who does not fall within these categories.

Information Purposes Only

This document is provided for information purposes only and does not constitute investment research, investment advice, tax advice, legal advice or any other form of professional advice. Nothing contained in this document should be construed as a personal recommendation to buy, sell, subscribe for, or otherwise deal in any investment, financial instrument or investment strategy.

Investment Risk Warning

The value of investments and the income derived from them may fall as well as rise and investors may not recover the full amount originally invested. All investments involve risk, including the possible loss of capital.

Any reference to indicative yields, target returns, expected performance or investment outcomes is provided for illustrative purposes only and should not be regarded as a guarantee of future performance or results.

Past performance is not a reliable indicator of future results.

Liquidity and Timing

Any references to implementation periods, settlement times or withdrawal timeframes are indicative only and may vary depending on market conditions, asset type, counterparty arrangements and other factors outside Diagram Capital's control.

Custody and Asset Protection

Where client assets are held with third-party custodians, such assets are subject to the applicable regulatory protections and custody arrangements of the relevant institution. Segregation of client assets does not eliminate all investment, operational, counterparty or custodian-related risks.

Taxation

The tax treatment of investments depends on the individual circumstances of each investor and may be subject to change in the future. Investors should obtain independent tax advice regarding their particular circumstances before making any investment decision.

Third-Party Information and Service Providers

References to banks, brokers, custodians, advisers or other third-party service providers are provided for information purposes only and should not be interpreted as an endorsement or guarantee of their services or financial strength. Diagram Capital accepts no responsibility for the acts, omissions or performance of third parties.

Jurisdictional Restrictions

This document is intended only for distribution in jurisdictions where such distribution is lawful. It must not be distributed, published, reproduced or relied upon in any jurisdiction where doing so would breach applicable laws or regulations.

No Reliance

Recipients should undertake their own independent assessment and, where appropriate, seek independent professional advice before making any investment decision. No representation or warranty, express or implied, is given as to the accuracy, completeness or reliability of the information contained in this document, and no liability is accepted for any loss arising from reliance upon it.
